

Magruder Monthly Monday Memo
September 2018

Greetings Magruder Mustang Families,

I am so very excited about the amazingly strong start to the 2018-2019 school year! Students are already engaged in critical thinking hands on activities in their classes. This is the result of teachers' laser focus to ensure the guaranteed and viable curriculum each of your children deserve.

Our staff's theme for the year is "An Attitude of Gratitude." Research demonstrates only the utmost positive results of gratitude for both those the receive and give gratitude. The gratitude towards one another does not end with our staff but includes our scholars and their families that support us. 1 thing I am very grateful is how our Magruder family has grown over the summer with new staff and many new students we have been able to open up a couple of new sections to help reduce some of our larger classes!

To learn about all the classes your child is attending, we hope you all will join us at Back To School Night, September 25, 2018 with classrooms opening at 6:00 pm. We love having our students on campus. However due to limited space this is an adult event.

Lastly, if you are interested in volunteering our PTSA is always open to any assistance you can offer. If you are at all interested in helping out please contact Amanda Gutierrez, our PTSA President, at agutierrez06@icloud.com. Likewise if you have not joined PTSA there will be a table at Back to School Night to sign up. This membership helps support student field trips, school assemblies, school supplies of all kinds and much more. Membership is good for 1 year and is 10.00.

I am anticipating a year with exciting learning experiences, joy and positive community building for our all of our Mustangs and to seeing you at Back to School Night!

Ms. Nunes
Principal
Magruder Middle School
