Additional Testing Information

*Block schedule Monday, Wednesday, Thursday and Friday of each week.

*Late start schedule on Tuesday (May 8 and May 15) of each week.

*Students **will** attend NHS classes on Monday, Tuesday, and Thursday of each week.

*8th grade students will take the CST Science test during their Science class on May 3.

*Students that do not finish their assessment will report to the computer labs to complete assessments the next period. Once the student is done they will be given a pass to return to class with the time they depart the lab.

*Students with separate setting accommodations will be sent to room 19 for testing.
A list of students will be provided.
